

Visit our website to request our regular e-newsletters with up-to-date details of the weekly lunchtime concerts.

www.musiconthursdays.org

Each concert has its own webpage with details of the programme, the musicians, and recordings of the music for that day's concert (*except some new, or rarely recorded works.*)

The musicians in these concerts are often current BMus, Masters, Dip in Performance, or doctoral students of the Royal Academy of Music, or of London's and the UK's other music conservatoires. Some of these ask to return in the early years of their music careers, and some of these become regular performers. Other performers have been through the same advanced musical Education. The musical style is classical, chamber music (solos, duos, small groups), some traditional, some rarely heard, some contemporary, and we regularly feature music by female composers too.

Leatherhead Methodist Church has extremely limited on-site parking.

We give Priority to the musicians and to Blue Badge holders. We cannot reserve spaces and you may need to drop off your Blue Badge passenger before looking elsewhere for a parking space.
